Subject: Cancer Awareness

Greetings,

I am honored that State Grand Loyal Lady Ruler Eleanor Dillard has chosen me to chair the Cancer Awareness Committee. Many of us have been or are affected by this dreaded illness. There are over one hundred types of cancer. Many people are cancer survivors, as I am, but some didn't make it. This committee is responsible for raising awareness of the many types of cancer. Did you know that August and December are the only months that do not have a specific cancer associated with them?

Annie P. Rogers State Grand Assembly encourages all assemblies to incorporate cancer awareness topics in our community agendas and to share with the community and its members. Please submit a comprehensive report of Cancer Awareness topics and community activities completed by your Assembly January 1, 2023 – December 31, 2023. Your Assembly name and number, city and state should be included in your report. Please include pictures if applicable. The deadline for all reports is February 26, 2024. However, they may be submitted as early as you can. Please send reports via email. If you do not have email, then send reports to mailing address below.

If you have questions, please feel free to call. My number is 919-770-5063.

Please send reports to:
