Greetings,

The Annie P. Rogers State Grand Assembly has encouraged all assemblies to incorporate dental care topics in their community service agenda. Assemblies have been encouraged to share dental topics with the communities and with members of the assemblies. Some ideas include sponsoring dental health events, adopt a daycare, senior homes and provide dental supplies and information. Assemblies can also consider volunteering with the NC MOM (Mission of Mercy) program when it comes to your area. Please go to ncdental.org and click on events and meetings for a schedule. February is National Dental Health Month, and a plethora of information is available online during this month.

Please submit a comprehensive report of "Dental Health" topics and community activities completed January 1, 2023- December 31, 2023. Please include pictures of activities as well. Deadline for all reports is **March 4, 2024**. Assemblies are asked to submit reports to PLLR Nikki G. Tucker, DDS. Reports should be submitted via email to NikkiT4706@mail.com please put "Dental Health report", your Assembly name and number in the subject line. If email is not an option, please mail your report to: **PO Box 8397 Greenville, NC 27834. Please note that email is the preferred method for receiving reports.**

If you have any questions please contact LL Nikki G. Tucker, DDS at 336-601-0735 or via email. Here's to your improved dental knowledge and health.
